- 1. Call to Order**—Commissioner Councell called the meeting to order at 12:30 pm.
- 2. Work Session** —

This is the second of the three work sessions planned regarding the effort to gain additional knowledge of the County’s Comprehensive Water and Sewer Plan and each body’s role in administering the Plans. A review and update of the County’s Comprehensive Water and Sewer Plan will be coming in the near future. Staff invited both the Maryland Department of Environment and Maryland Department of Planning to the work session. One representative from each department attended; Keith Lackie, Regional Planner with Maryland Department of Planning and Robin Pellicano, Division Chief with Maryland Department of Environment. They defined their department’s role and procedures in the review process of the County’s Comprehensive Water and Sewer Plan/Amendments. The Public Works Advisory Board and Planning Commission were able to ask questions and discuss the ways the State and County could collaborate.

Adjournment– Commissioner Councell adjourned the meeting at 2:00 pm.
